## To whom it may concern

This letter serves as a reference to captain Savvas

As a yacht agent, the service that captain Savvas and his team provided was to our utmost satisfaction

Any problem that needed solving, whether it be big or small was taken care of with professionalism and promptness.

With guests aboard the yacht, Captain Savvas made it very easy to reserve top class restaurants and book in to ports in all beautiful islands, impressing our guests and in turn making our jobs easier.

All work that needed to be done on board was arranged and taken care of by his team and only the best companies and services were used to ensure that the work being done is to the highest standard.

Captain Savvas and his team are a friendly hard working company that strive to maintain a respectable reputation and we would be more than happy to work with them again in the future and would recommend them to any other motor yacht requesting professional service in and around the Greek islands
