Tivat, Montenegro 28<sup>th</sup> May 2013

Dear Savvas,

I just wanted to write to you to express my heartfelt thanks to you and your team for the incredible efforts you put in to make sure our visit to Greece was as hassle free and enjoyable as could be.

It is always difficult for captains to cruise new areas with their owners but with your operational experience in the area as a captain the information you provided to me was invaluable and was exactly what I was looking for.

The hands on approach you have, including the visits on board to help me pour over the charts and plan a good itinerary, is second to none.

If every agent in every port of call was like you my life would be too easy!

I thank you once again for getting our season off to the perfect start and hopefully see you soon.

With very warm regards,

Paul
